2013	35.9 Free/Reduced
2014	29.2 Econ Dis
2015	45

RLS Initiatives

2015-2016

- * Continued focus on differentiating our instruction across the curriculum to meet the needs of the individual learner
- * Creating clear, consistent positive behavior (academic and social) standards and, in turn, celebrating them throughout our days
- * Building our capacity to understand how demographics impact children in school
- * Continuing to work on improving the home-school connection
