Dear RLS Families of 6th Graders,

This year 6th graders are participating in a special during which they are learning leadership skills through community service. Our current project is learning about digital citizenship to become social media interns. Once trained, students will be taking over our Instagram and Facebook accounts!

Once trained in social media etiquette they will work to post pictures of students living up to our motto of a Respectful, Learning, and Safe Community. Please sign below indicating whether you give permission for your child to utilize our Facebook and Instagram accounts. Be on the lookout for the posts using the #6thXBlock.
